Dated the 19th October, 2011

Dear Friends,

The Sixth National Conference of the FINGODAP (Federation of Indian NGOs for Drug Abuse Prevention) is being organized with the support this Ministry in Chandigarh from 28th - 30th October 2011. Hon'ble Minister for Social Justice & Empowerment has kindly consented to inaugurate the function on 28th October 2011. I am sure that the FINGODAP would have also extended the invitation to you to attend the conference.

2. From the past experience it is seen that the conference provides an interactive platform for various Government Departments, NGOs and the foreign experts to share their views and exchange valuable information related to drug demand reduction which goes a long way in further improving the demand reduction programmes being run by the NGOs. Also networking among the NGOs helps us in mobilizing national opinion against the drug abuse and encourage NGOs to develop and implement anti-drug policies and programmes.

3. We are keen to interact with the representatives of all our implementing partners (NGOs) UN agencies and other law enforcing agencies, on the issues of prevention, treatment and enforcement of drug abuse for ensuring better implementation of its programme. While the detailed programme schedule, venue and other logistic arrangements would have been conveyed to you by FINGODAP, I would request you to participate in the Conference and utilize this wonderful opportunity so that the feedback received from you is utilized in developing appropriate responses towards drug abuse prevention. If you like to know other details please contact the office bearer Dr. Rajesh Kumar, Executive Director, FINGODAP, SPYM Centre, 111/9, Opp. Sector B-4, Vasant Kunj, New Delhi-110 070 [Tel.
